*While we have indicated a minimum age of 12 years old, if a child can demonstrate the ability to safely handle the equipment and the guide has determined they have the maturity to exercise the safety procedures, they may participate in this activity. **NOTE:** If at any time, the guide determines anyone regardless of age or ability, is not fit to partake in Axe Throwing, they have the right to refuse participation immediately.

Meeting Place: 10-15 minutes prior to the start of your schedule activity, please arrive at the Sporting Lodge for check-in with the Lodge Attendant.

Safety: Safety is our 1st priority - a safety talk of this guided session will occur before you are left to enjoy your experience.

Payment Method: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card or debit.

Clothing & Footwear: Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Clothing should not be restrictive to allow free movement of torso and arms while avoiding loose flowing garments. Footwear can include comfortable boots and/or sneakers – note that traction footwear is preferred (smooth sole can be difficult to ensure a steady form).
