Cruise the dramatic coastline of the Northumberland Strait, home of the warmest waters north of the Carolinas. Views of Fox Harb'r from the shoreline and a tour of Wallace Bay while you enjoy the sea breeze or a sunset scene. Our Founder's Lodge and Lighthouse begin and end the journey and in between, there's a good chance you will see our resident herd of seals or water fowl to complete the experience. With the option to make your trip private to your group and customize with beverages and catering (prior arrangements must be made); this vessel can take up to 10 guests or enjoy meeting other Resort guests for our public sailings. This activity is dependent on weather and wind factors which could cause short notice cancellation.

Meeting Place: 10-15 minutes prior to your scheduled departure, please meet at the Marina by the Lighthouse.

Payment Methods: This activity charge will be applied directly to your room account. Should you wish to pay separately by card or cash, a separate trip to the Sporting Lodge will be required upon your return to dock.

Safety: Your safety is our 1st priority and therefore a safety talk to review safety measures will be given at the beginning of this guided tour. Since this may be the first time you are experiencing the ocean, please be aware of seasickness and upon return to land, may cause a short period of unsteadiness or weakness in the legs.

Clothing & Footwear: Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Bring a jacket or sweater as the wind on the water is typically cooler than on land. Footwear should be comfortable and flat for optimal balance. Sunscreen, hat and sunglasses are a must to protect from the elements.
